

# Clumbos... they're a Bing thing!

Bing has been playing with his train today.

**Colour** the word to show how you think Bing is feeling.

Oh, no!

Bing's train is broken!

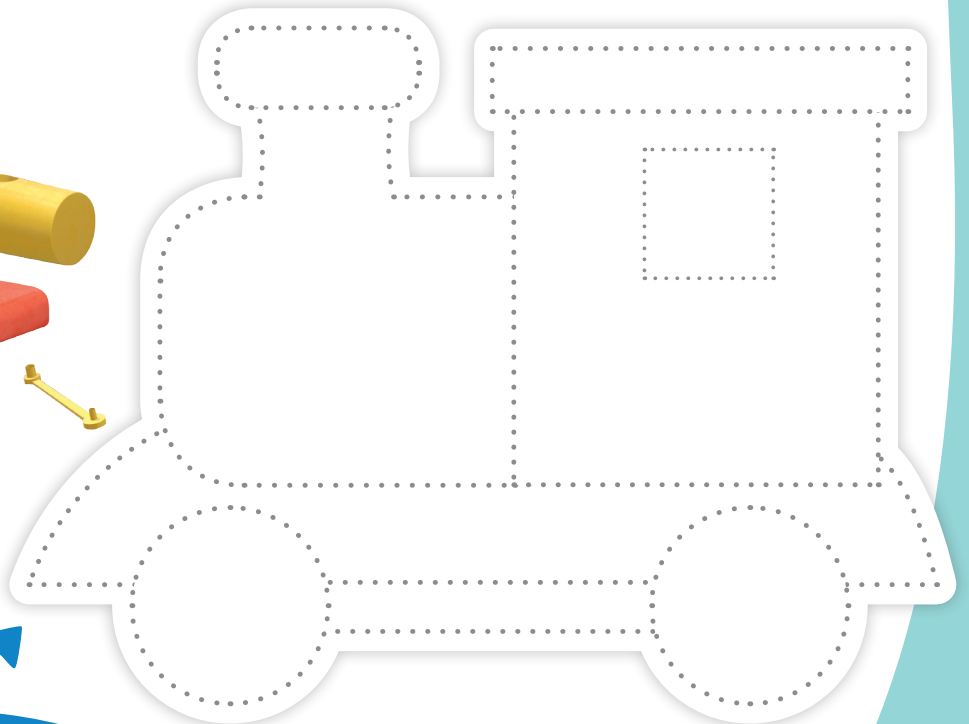

It's no big thing!

sad  
happy

Let's **join the dots** to help put it back together again.

**Draw** a big happy face here to cheer Bing up.

It's a **Bing** thing  
Can your Bingster tell you what makes them feel happy or sad? Maybe it's a song or a special food, or maybe it's their favourite toy?
