

Sula's sparkle Magic Wand!

You will need:

- Our star shaped template
- Enough cardboard to cut 2 complete stars
- Safety scissors
- Glue (or 'goo' as Bing would call it!)
- A rolled up piece of A4 paper (or a straw works well too)
- Tin foil, glitter, sparkly bits, stickers, pens, or whatever your Bingsters love to decorate with!

Instructions:

1. Cut out the template we have given you.
2. Use the template to draw around and cut out two stars from the cardboard.
3. Roll up your A4 piece of paper diagonally and secure in place with glue. Be careful that your Bingster doesn't use too much glue, they will only need a little bit!
4. Take one of the stars, and stick the end of the rolled up paper onto the middle with some glue.
5. Glue around the edge of the second star and stick the two stars together.
6. Allow enough time to let them dry.
7. The wand is ready for your Bingster to decorate any way they like! You can wrap the whole wand in tin foil and then start decorating, or you may decide to not add any tin foil and decorate straight onto the cardboard. We know that it will look fabulous whatever they do.
8. **Ta-daa!** The wand is now ready to be used by your Bingster to turn you into a frog, a tree or whatever their imaginative heart's desire.

We love to
hear from
you!
