

Let's make... **Amma's ears**

Instructions:

- From the strip opposite cut out two headband pieces and stick the two ends together to form a long strip. Measure your Bingster's head for fit and then stick the two remaining ends together.

- Allow time for any goo, glitter or paint you may have used to dry.
- Stick the decorated ears on to the headband in the desired position and then...

your ears!**

**We love to
hear from
you!**

We would absolutely love to see photos of your Bingster with their Amma ears, so please do share them with us. You can post them to our Facebook page ([/bingbunny](#)) or send them via the website to be featured in The Bingster Gallery.

Please use caution and your own good judgement about which steps your Bingster can safely be involved in.
