

Let's make... Coco's ears

Instructions:

 From the strip, on the second page, cut out two headband pieces and stick the two ends together to form a long strip. Measure your Bingster's head for fit and then stick the two remaining ends together.

 Now, time to cut out and decorate your ears any way you like! You may wish to stick them on some card first - a cereal box will work well.

 Allow time for any goo, glitter or paint you may have used to dry.

 Stick the decorated ears on to the headband in the desired position and then...

Show us your ears!

hear from
you!*

We would absolutely love to see photos of your Bingster with their Coco ears, so please do share them with us. You can post them to our Facebook page ([/bingbunny](#)) or send them via the website to be featured in The Bingster Gallery.

Please use caution and your own good judgement about which steps your Bingster can safely be involved in.
