

Let's make...

Sula's Magical Unicorn Headband!

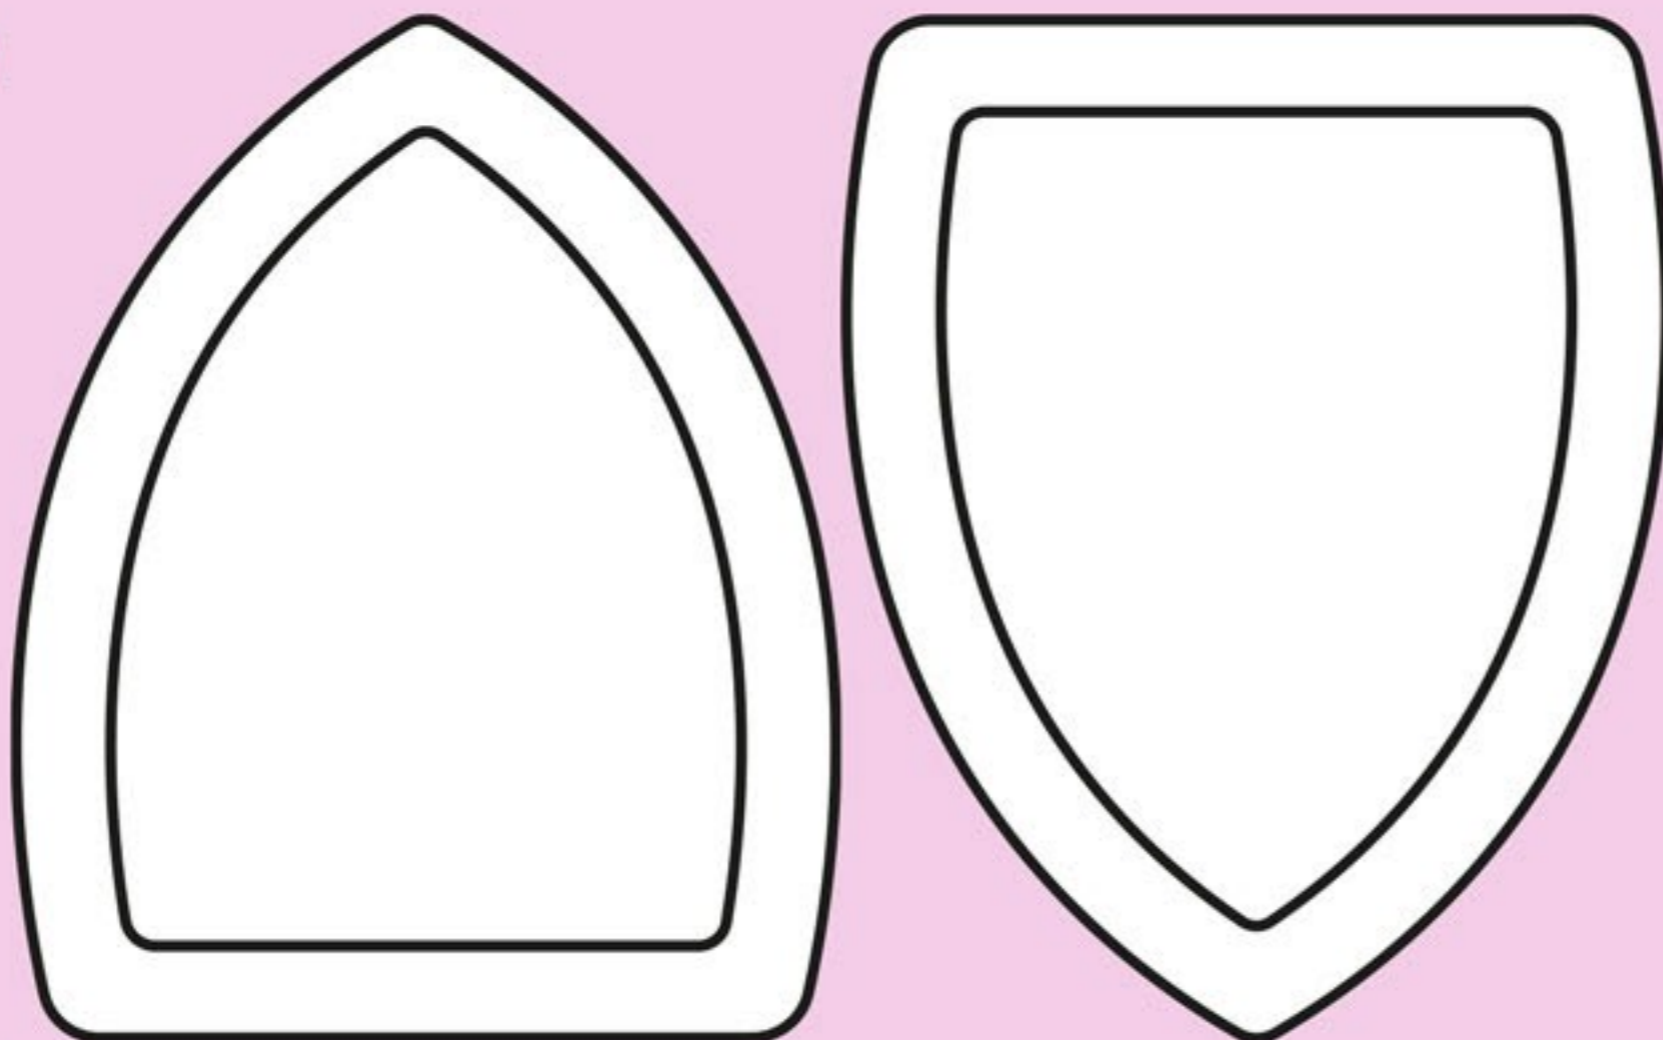

You will need:

Card, Scissors, Glue, Colouring pens and pencils

1. Print out the unicorn ears, strip and horn for your Bingster to decorate any way they like.
2. Stick each of the sheets in this guide onto sheets of card, using glue.
3. Cut out the pieces. They should now be a lot more sturdy than if you'd just used paper!
4. Stick the ears and horn strip onto the headband.
5. Measure your Bingster's head with the headband, marking the size with a pencil. Now remove the headband and stick it together according to your measurement, so it's exactly the right size for their head!

Unicorn Ears:

Please use caution and your own judgement about which steps your Bingster can safely be involved in.
